

I saw her standing there

^CWell, she was just 17, you know what I mean,
and the way she looked was way beyond compare.
^CSo how could I dance with another - ooh
when I saw her standing there.

^CWell she looked at me, and I, I could see
That before too long I'd fall in love with her.
^CShe wouldn't dance with another - ooh
when I saw her standing there.

^{F7}Well, my heart went zoom,
when I crossed that room,
and I held her hand in mine.

Ooh, we danced through the night,
and we held each other tight,
and before too long I fell in love with her.
Now I'll never dance with another - ooh
since I saw her standing there.

Well, my heart went zoom,
when I crossed that room,
and I held her hand in mine.
