

I CAN SEE AN ANGEL WALKING

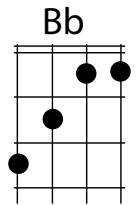

by Patsy Cline

intro: F// Bb// G7/

I can see an angel walking *walking ooo* someone else is by his side *by his side*

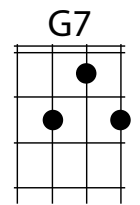

I can hear an angel talking *talking ooo* and he looks so satisfied *satisfied*

I can see an angel smiling *smiling ooo* by his side I'll never be *never be*

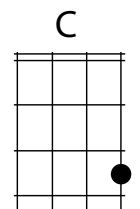

In my heart I'll go on crying *crying ooo* only tears are left for me *left for me*

CHORUS

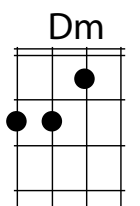

Time will change many things new seasons will come and go

But I will never change all my life I'll love him so

I can see an angel laughing *laughing ooo* he's the one that I adore *I adore*

I will always keep on hiding *hiding ooo* all my love forever more *ever more*

CHORUS

I can see an angel laughing *laughing ooo* he's the one that I adore *I adore*

I will always keep on hiding *hiding ooo* all my love forever more *ever more*

*option:
repeat chorus and last verse to end*
